

DOONBEG INTERNATIONAL JAZZ FESTIVAL

Now in its 6th year, our festival just gets bigger and better each year! With a fantastic line up of bands from Germany, England and Ireland its going to be a great weekend!

We are delighted to welcome Marty Morrissy, R.T.E. presenter, who will be opening the celebrations at Igoo Inn at 8.30 pm on Friday 3rd of June, and every pub will feature music throughout the weekend.

Festivals like this count on local volunteers to get them going and sponsorship from area business to keep them going! We are proud and grateful to have such a commitment from them to keeping this Festival an exciting and popular event.
